By application filed January 12, 1993, and amended February 5, 1993, Trans M.A.P.P., Inc., trading as TransM.A.P.P., D.C. (Transmapp or applicant), a California corporation, seeks a certificate of authority to transport passengers, together with baggage in the same vehicles as passengers, in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a manufacturer's designed seating capacity of 15 or fewer persons, including the driver.

Notice of this application was served on January 15, 1993, in Order No. 4041, and Transmapp was directed to publish further notice in a newspaper and file an affidavit of publication. Transmapp complied. The application is unopposed.

SUMMARY OF EVIDENCE

Transmapp's application includes information regarding, among other things, its corporate status, equipment, facilities, safety fitness, proposed tariff, finances, and regulatory compliance record.

Transmapp proposes to commence operations with one 15-passenger van. Applicant's proposed tariff contains transfer and tour rates on a pre-arranged, reservations-only basis.

Transmapp's general manager certifies on its behalf that applicant has access to, is familiar with, and will comply with the Compact, the Commission's rules and regulations, and United States Department of Transportation regulations relating to transportation of passengers for hire.

Applicant filed a balance sheet as of July 31, 1992, showing current assets of \$1,431,583; net fixed assets of \$211,688; other assets of \$528,887; current liabilities of \$1,615,966; long-term liabilities of \$134,076; and equity of \$422,116. Applicant's operating statement for the twelve months ended July 31, 1992, shows operating income of \$19,961,841; operating expenses of \$19,888,985; other income of \$38,204; and net income of \$111,060. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC operating income of \$1,500,000; other operating income of \$23,000,000; operating expenses of \$24,353,369; other income of \$23,000; and net income of \$169,631.

It is certified that neither Transmapp nor any person controlling, controlled by, or under common control with Transmapp has any control relationship with a carrier other than Transmapp.

DISCUSSION AND CONCLUSION

This case is governed by the Compact, Title II, Article XI, Section 7(a), which provides in relevant part that:
